WRECKED BAILEY AUTO REMOVED TO GARAGE

For two days and nights, with a chauffeur on guard, an automobile belonging to R. C. Bailey, a real estate dealer with offices at 219 Mesa, stood refused to a state of dilapidation in front of the hotel Grandoff, until Saturday morning when Mr. Bailey returned home and had the auto removed to a garage for repairs.

Thursday evening, while Mr. Bailey was out of town, his chauffeur had the machine out, when down the street came a runaway horse, attached to a light buggy. The horse ran into the machine, knocked the rear seat from its fastenings, beat the mud guards to the scrap-iron stage, and then reared and pawed the front of the vehicle, smashing the lights. The horse was then captured and led back up Main street with a gash in its flank.

A DOZEN FAMILIES CURED OF ITCH BY CUTICURA

Showed No Marks but Whole Body Itched Like a Million Mosquito Bites—Sleep Out of the Question and Life Became an Inferno.

DOCTORS AND DRUGGIST TREATED THEM IN VAIN

"The Cuticura Remedies are the best in the world, as I know from experience. In Downala, South Wales, about fifteen years ago, families were stricken whole-sale by a disease known as the itch. Believe me, it is the most terrible disease of its kind that I know of, as it itches all through your body and makes your life an inferno. Sleep is out of the question and you feel as if a million mosquitoes were attacking you at the same time. Yet you could see nothing on the skin. But the itch was there all right and I sincerely trust that I shall never get it. I knew a dozen families that were so affected. The male members and myself belonged to the same society and, as steward, it was my duty to visit the sick members once a week for sick benefit until they were declared off. That is how I became so familiar with the itch."

"The doctors did their best but their remedies were of no avail whatever. Then the families tried a druggist who was noted far and wide for his remarkable cures. People came to him from all parts of the country for treatment but his medicine made matters still worse, as a last resort they were advised by a friend to use the Cuticura Remedies. I am glad to tell you that after a few days' treatment with Cuticura Soap, Ointment and Resolvent, the effect was wonderful and the result was a perfect cure in all cases."

"I may add that my three brothers, three sisters, myself and all our families have been users of the Cuticura Remedies for fifteen or twenty years. Thomas Hugh, 1650 West Huron St., Chicago, Ill., June 28, 1909."
